

Red Rocket 5

Red Rocket 5

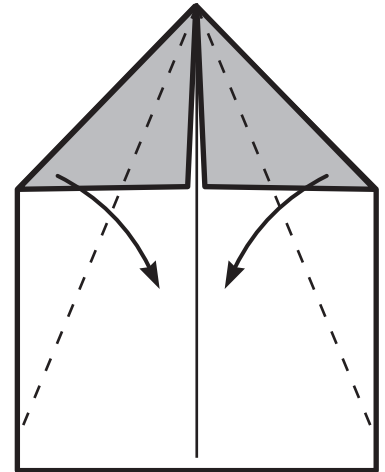

Print out the Red Rocket 5 graphic on regular printer paper and cut out the pattern. Don't use paper that is too thick; it will be difficult to fold.
Use the dotted lines on the instructions to help guide you with the folds.

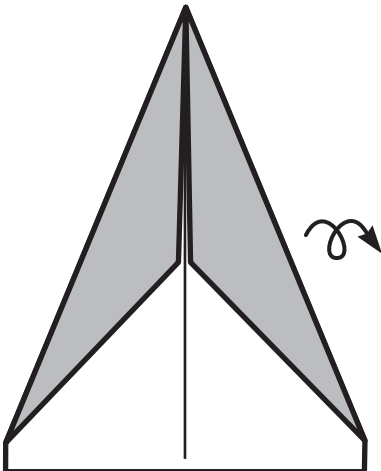

1. Use the Red Rocket 5 graphic or a rectangular sheet of paper. Start with the blank side up. Fold in half and unfold.

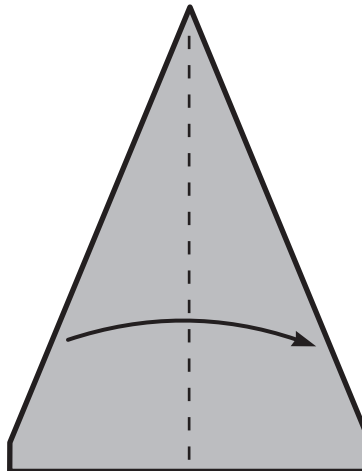

2. Fold the left and right corners to the center.

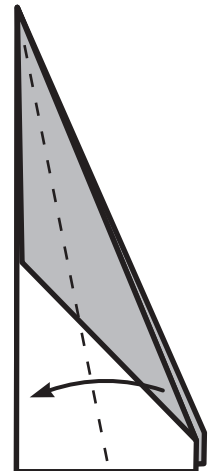

3. Fold the left and right corners to the center.

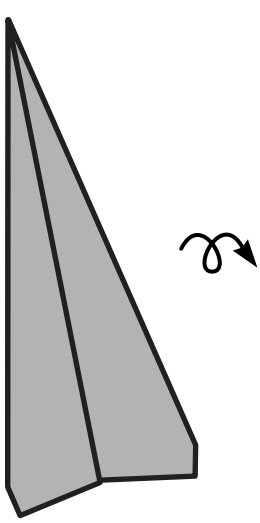

4. Turn it over.

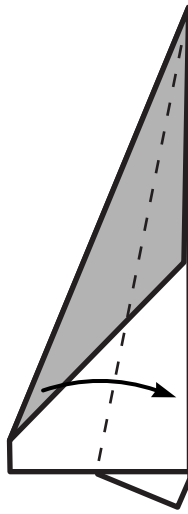

5. Fold in half.

6. Fold the top layer toward the left side.

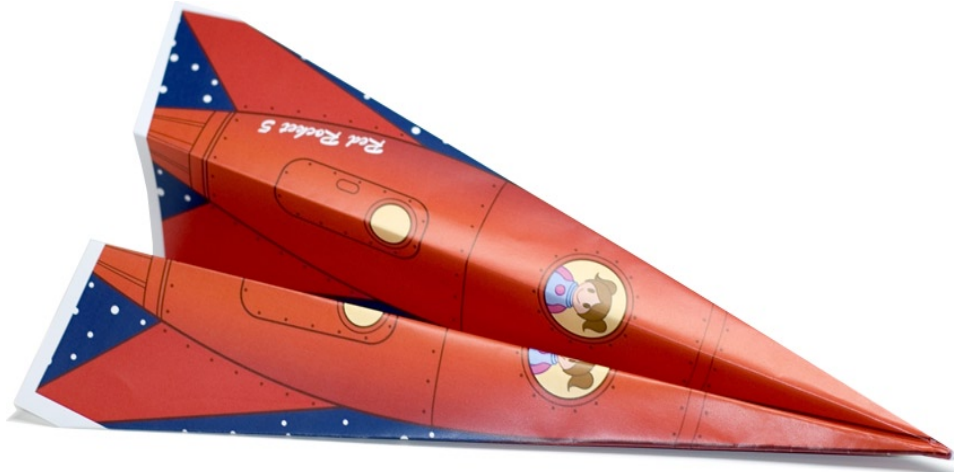

7. Turn it over.

8. Fold the remaining layer toward the right side.

9. Open to reveal the airplane.

Your Red Rocket 5 plane is finished!

Please Be Careful: Don't throw the airplane towards other people or animals.
